The first step, is to select which type of multi window mat you'd like. Once you've made a selection please click on "Order" to proceed with the next step of the order.

Selecting a mat size

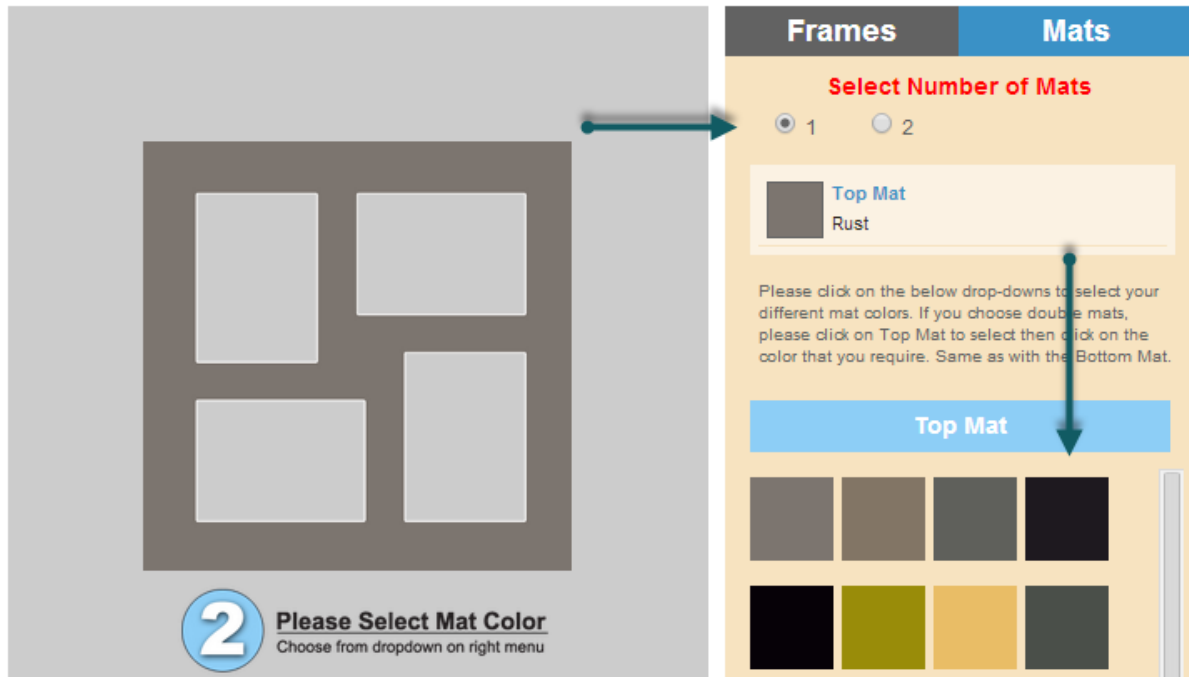

Please Note: The preview is just for an idea and might not reflect the exact frame-thickness and dimension nor the mat color(s).

Mat colors might vary on screen compared to actual mat colors.

Qty	Size	Price
1	Select Size	

The next step would be to choose your size in the drop down box. You may also choose the quantity that you'd like to order on the left side box before proceeding with the next box

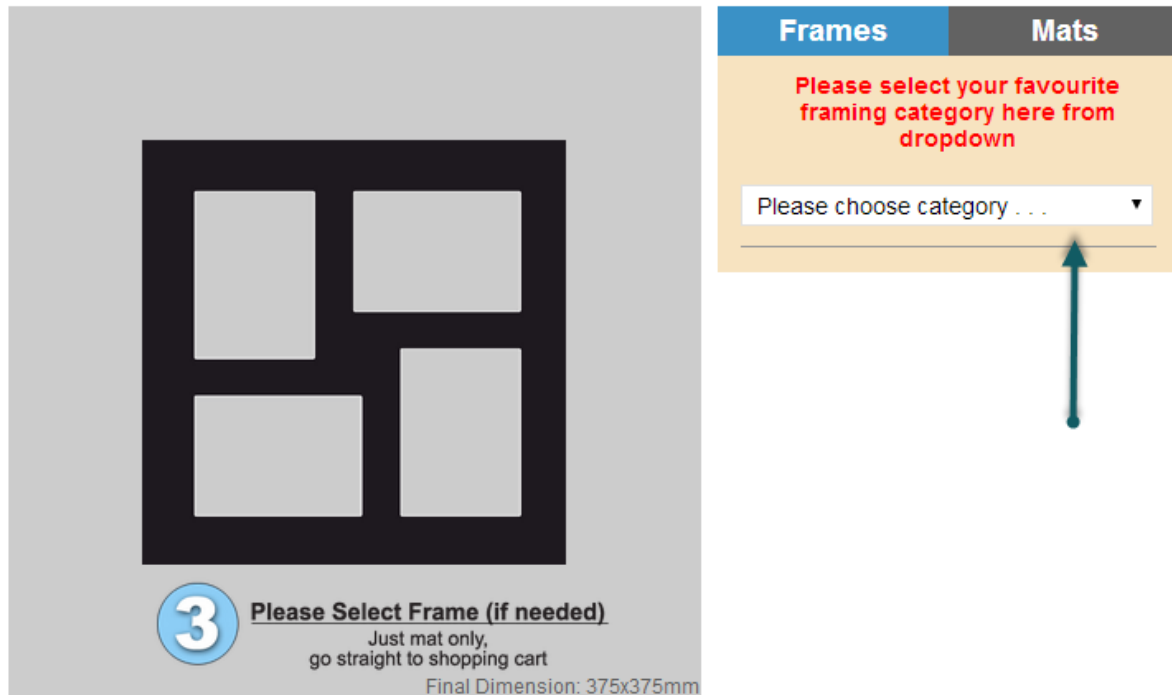

Selecting a mat colour

Please select a mat colour from the options available on the right hand side.

You may also choose to select two mats, if you do then you'll need to provide us a colour for the bottom mat as well.

Selecting a frame (Optional)

If you would like to choose a frame type please click on “Frames” next to “Mats” and you’ll be able to choose a category for frames.

Once you’ve found a category please click on “Select” on the frame type that you would like to use. If you would only like to use a mat, please skip this step and go to your order summary by scrolling down the page.

Confirming your order

Please Note: Single refers to single layer mat, double refers to double layer mats.

All frames come with 2mm Clear Glass and 3mm MDF backing. If you like to change the glass or backing, please select from the drop down features under Your Order below.
